

# verte

your style. your comfort. your health.

**RFM**® seating

# ideal posture

Imagine settling into a chair that molds itself to your spine's unique shape. Inspired by the human vertebrae, the Verte combines ergonomics, form and function to produce the ultimate in seating posture and comfort. A decade in the making, the Verte was created by a team of engineers, designers, and ergonomists, and is truly one of a kind. Sit in it once, and you'll never settle for anything less.

(B)

The flexible dual-vertebrae support system helps improve posture

Program your ideal posture with the single touch of a lever
