New Option Bulletin 2022

Option 89F Foam Pommel

LIST \$110.00

This option allows for a front-center foam pommel to be added to a standard (non-tractor) seat.

The pommel is added below a dual density foam topper, which is standard for this option and included in the pricing.

This option is available as a non-sewn seat (no box stitched seats).

Additional options available with 89F:

Memory foam 25F +\$75 List

Tail bone cut-out 35TB as a hidden TB option, unless using Teknit fabric. +\$130 List
