Option 89F Pommel seat foam

LIST \$121.00

This option allows for a front-center foam pommel to be added to a standard (non-tractor) seat.

The pommel is added below a dual density foam topper, which is standard for this option and included in the pricing.

This option is available as a non-sewn seat (no box stitched seats).

Additional options available with 89F:

Memory foam 25F **\$ 91 LIST**

Tail bone cut-out 35TB as a hidden TB option, unless using Teknit fabric. **\$ 157 LIST**

Shown on an Evolve 15314 with 429 seat, 23A arms. 35TB-Hidden, 89F Pommel, 25F Memory foam, 60L Air lumbar, MO2 Silver mesh, 63Mesh Logo Teknit Monarch Blue
