For all Quick Ship models and pricing, please refer to our current price list.

Due to the many variations in monitors and browsers, fabric color samples may appear different upon receipt. It is not possible to guarantee the fabric colors will look the same on all computers. We highly recommended that you request a sample from customerservice@rfmseating.com if color is imperative to your project.

Keep in mind that all fabrics can have minimal color variations from the finished product as stated by our manufacturers.
